

## FM University in England

### Aim 4: Develop our employees' skills and promote equal opportunity

- > Action 4.2: Design individual training plans

 **Entity:** ETDE

 **Operational unit:** Ecovert FM

## Overview of the Initiative

- > **Objective:** To organise all training through a company project.

- > **Description:**

On 15 May, Ecovert FM launched its Facility Management University at King's College, London.

In line with the slogan, Find More in You, the aim is to create a centre of excellence in FM within the Group and offer employees a platform for exchanges and a high level of training.

The university is open to Ecovert FM employees and young graduates in integration or apprenticeship training.
